

## Our goal is to support local artists while spreading hope and positivity through art in empty (yet very viewable) South End spaces.

Charlotte Center City Partners, in collaboration with Lowe's, is offering a "Windows of Hope" art partnership to property owners in South End. In addition to spreading positivity and hope in the community, Windows of Hope will support local artists at a time when physical exhibitions have been postponed or cancelled.

### Windows of Hope

- Each artist will receive \$1,000 for their work
- **Deadline to submit is 5pm EST on Friday, June 19, 2020**

### Artwork Guidelines:

- .ai file or high quality .pdf preferred.
- **Please outline all fonts.**
- If your artwork includes photography, please include original image and make sure it is 300 dpi.
- This is going on a business, so no profanity.
- Be mindful in your design that the outer 2 inches of the artwork may be cropped.
- If your window is split by the dividers, there is no need to consider that in your design (unless you want to). Printer will handle cutting.
